

2010 Jr./Sr. High Mission Trip!!

Group Week of Hope

Newark, New York

July 11th-17th

Community Service Mission Trip

It's Mission Trip time again! This year we are going to Newark, New York (upstate). We will be doing a Group Week of Hope this year instead of a Group Workcamp. This will give the students a different outlook on serving, and will be a nice change! We will be going the exact same week as last year. The dates for this year's trip is July 11th-17th Sunday-Saturday. We will be staying at a church instead of a school, and we will not need any tools like the trips in the past. Group limits the number of participants for a Week of Hope to 100, and we have 38 spots. The cost of this year's trip will be \$225.00. This does not cover the cost of the trip, so we will be doing a few fundraisers again. Once we get closer to the date of the trip, we will be told what type of community service we will be doing. It could be serving at homeless shelters, it could be working soup kitchens, it may be working at food and clothing banks, or it could be running VBS for churches who need help. Whatever we get assigned to do will be awesome! We will be taking the love of Jesus out to folks who desperately need to see and hear it. We as leaders are fired up for this year's trip! Below is the form that needs to be filled out, along with the form, a \$110.00 deposit will be due to secure a spot on this year's trip! Please call or e-mail with any questions!
